Yes, we understand the following

- It is up to me to pay in full for the month in advance and that my commitment is for the 2024-2025 school year.
- Missed lessons without 24 hr. notice will not be made up, and excessive absences will result in losing your spot.
- Students are expected to practice and prepare for each lesson. Failure to do so may result in losing your spot.
- If the private teacher is not meeting the expectations (not showing up, late, not prepared, etc.), please bring it to Mr. Geller's attention, who will discuss it with that teacher and find a positive solution to the issue.
